Fundamentals of Computer Networks (Full Day)  Monday 26th April 9:30–16:00
Click here for more information
Part of the CSA programme (£220 attendance bursary available)

Fundamentals of Computer Networks (2 x Half Days)
Tuesday 27th April 2:30–4:40 & Wednesday 28th April 14:00–16:30
Click here for more information
Part of the CSA programme (£220 attendance bursary available)

Introduction to algorithms programming and data for D&T teachers (2 Full Days)
Monday 26th April & Friday 30th April
Click here for more information
Part of the CSA programme (£220 attendance bursary available)

Representing algorithms using flowcharts and pseudocode (Full Day)
Wednesday 12th May 9:30 – 15:30
Click here for more information
Part of the CSA programme (£220 attendance bursary available)

Representing algorithms using flowcharts and pseudocode (Twilight)
Monday 10th, Wednesday 12th, Friday 14th May 16:00 – 17:30
Click here for more information
Part of the CSA programme (No bursary available)
Python programming projects – advanced subject knowledge (Full Day)
Monday 17th May 9:30–16:30
Click here for more information
Part of the CSA programme (£220 attendance bursary available)

Python programming projects – advanced subject knowledge (2 x Half Days)
Wednesday 19th & Thursday 20th May 14:00 – 16:30
Click here for more information
Part of the CSA programme (£220 attendance bursary available per day)

Higher Attainment in GCSE Computer Science – meeting the challenge of exams (Full Day)
Monday 24th May 9:30 – 16:00
Click here for more information
Part of the CSA programme (£220 attendance bursary available per day)

Higher Attainment in GCSE Computer Science – meeting the challenge of exams (Twilight)
Monday 24th, Wednesday 26th, Thursday 27th May 16:00 – 17:30
Click here for more information
Part of the CSA programme (No bursary available)
